

# E-Card Scoring Instructions

## 1) Access e-card from the tee time SMS

If you did not get it, please ask for it to our staff

## 2) Select the player you are going to score in your flight. You will score both records

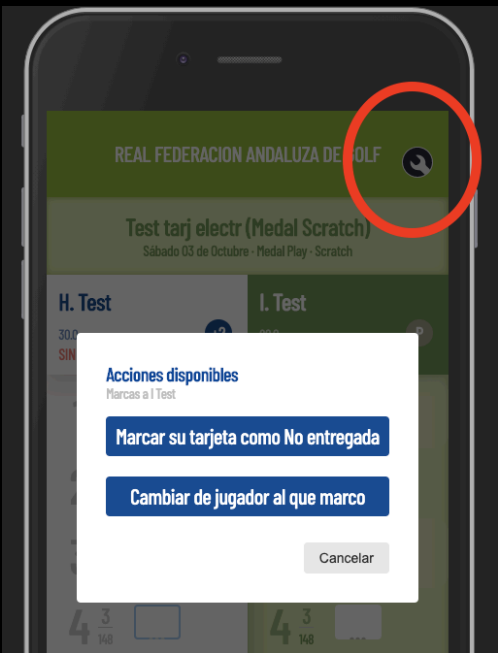

**3) On the left, enter your results and on the right those of the player you score.**

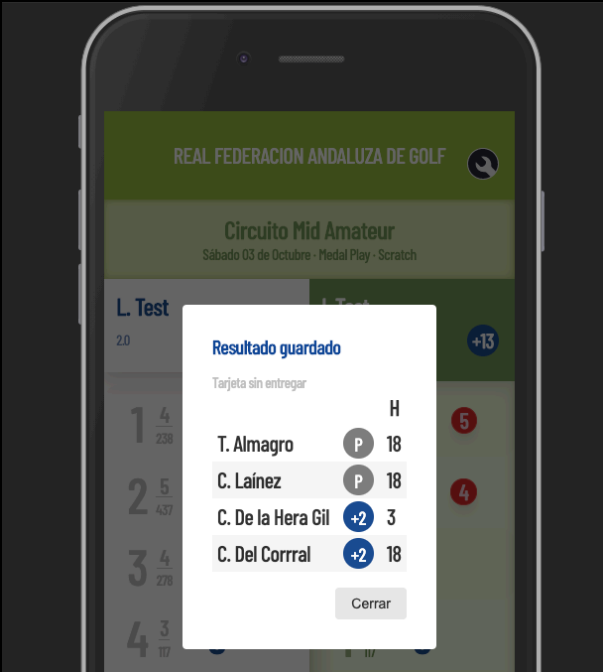

If any of you did not finish the hole (stableford) enter “0” or “-”.

**4) If the player you score withdraw or change, use this (only if necessary).**

5) Save it when entering results. You can check the live scoring if it is enabled by the Club

6) Discrepancies will be displayed in red.

Only you will be able to turn in your e-card if all holes match in both columns.

7) Confirm your final result at the Tournament Office.

**IF THERE IS ANY DISCREPANCY ON YOUR SCORECARD**

Both, your marker and the player you are marking, must confirm your scores on the electronic scorecard before it can be submitted. If either of them has used a paper scorecard, they must go to the Tournament Office to confirm the results by entering them on one of the devices provided for this purpose.

**IF YOU WITHDRAW**

Ask your marker to indicate this on his card. To do this, you will need to access the options and check “PLAYER (your name) DOES NOT RETURN CARD”.  
If you do not play but continue marking, complete the card as you were doing.

**IF THE PLAYER YOU SCORE WITHDRAWS**

Access the options and mark “PLAYER (player you are marking) DOES NOT RETURN CARD”.  
Access the options again and select to mark the player he was marking up to that moment.

**IF YOU DID NOT USE THE E-CARD OR IF YOU HAD A TECHNICAL ISSUE**

If you, your marker, or the player you marked used a paper scorecard, or If you run out of battery or encounter any issues with your mobile, the results must be confirmed by entering them on the device provided at the Tournament Office. In this case:

- Select your name and confirm your identity
- Complete your score and the scores of the player you marked.

**You must confirm at the Tournament Office that your result has been recorded correctly.**
